Hello John,

The Rose Garden Social Committee has put together a proposal for the 2024-2025 winter season. (See below.) Our proposal includes a schedule of events and a budget.

Please note:

1. We will coordinate with the Recreation Committee and Landscape Committee.
2. Many of our budget items are one-time purchases.
3. We may offer some group events (e.g., Power Baseball night).
4. There are still questions to be answered (e.g., storage of equipment, dishware).

Our committee welcomes any suggestions for consideration from the board and residents.

The Rose Garden Social Committee is comprised of Paula Sheridan, Joanne Burdick, and me with David Carden as our liaison to the board. I will be in attendance by zoom at our meeting on June 15.

Thank you,  
Mary Melbo
